

2022 ANNUAL REPORT

MIDFLORIDA
Florida's community credit union®

Insured by NCUA.

LETTER FROM THE CEO

Trusting MIDFLORIDA to manage one of the most important aspects of your life – your finances – is something we don't take lightly. That's why we take our mission of improving your financial well-being seriously and strive to help you meet your financial goals every day. In doing so, MIDFLORIDA ended 2022 in a very strong financial position. We increased our net worth ratio to 10.14%, far exceeding the NCUA limit of 7% to be considered well-capitalized. Our earnings for the year represented 1.42% of our average assets, compared to .86% for the credit union industry. We experienced strong loan growth of 20% for the year while maintaining loan delinquency at less than half of our credit union peers, signaling that our lending guidelines are healthy. These metrics make MIDFLORIDA one of the best performing credit unions in the country.

As many national banks have closed branches, MIDFLORIDA continues to expand branch services with our in-person, no-appointment-needed, face-to-face banking for both consumer and business accounts. We believe members come to a branch to interact with our friendly and knowledgeable employees, which makes selecting prime branch locations and ensuring proper staffing and training paramount. In 2022, four prime growth locations were opened in Haines City, Davenport, Temple Terrace and Sarasota, and future sites in Bradenton (Cortez), Bradenton (Manatee), Largo, Dunedin, Fort Myers, Gainesville and Orlando were identified. Additionally, our lending footprint continues to broaden, providing car loans, mortgages and commercial loans across the state. Through these in-market initiatives and a growing digital presence, we see memberships extending throughout Florida.

This success could not be realized without the trust you placed in us, so thank you for your membership with MIDFLORIDA.

CHAIRMAN'S CORNER

Thank you to our loyal members for continuing to trust MIDFLORIDA as your primary financial institution. It has been my sincere honor to serve as the chairman of the board, and I appreciate the opportunity to have made a difference in Florida's Community Credit Union.

As I look back on the past year, I am extremely proud of the work we've done to help you improve your financial well-being and, on behalf of the Board of Directors and our faithful employees, I extend my appreciation for entrusting us with helping you on this journey. It's every person's financial journey that they share with us that makes us the strong institution that we are. And, it's thanks to that security and stability that we can continue offering competitive rates and investing in new locations and services to meet your evolving needs.

I'm excited and optimistic about where 2023 takes each of you on your financial journey, and how MIDFLORIDA will help you get there.

Total assets exceeded \$6.6 billion, over 9% growth; net loans increased by over \$924 million to end the year with more than \$5.5 billion in loans outstanding, 20.13% increase over last year; and deposits increased by \$427 million, representing 7.8% growth. In addition to strong financial results, our total number of members increased to over 460,000 strong throughout Florida. We ended the year financially strong, stable and ready to continue to serve our members and our local communities.
