A REVOCATION OF AUTHORIZATION means that the written agreement with the originating company which was signed or similarly authenticated by an individual to allow payments processed through the ACH network to be deposited in or withdrawn from an account at a financial institution has been cancelled. The consumer must revoke authorization directly with the originating company prior to the return of the debit.

ACH Operation Staff: Use code R07 to return a debit where authorization was revoked. R07 cannot be used for TEL, POP, or single-entry WEB entries.

AN UNAUTHORIZED DEBIT means an electronic funds transfer from a consumer's account was never properly authorized by the consumer. An ACH debit in an amount greater than that authorized by the consumer, or that occurs on an earlier date than that authorized by the consumer, is also consider unauthorized. An unauthorized debit does not included an electronic funds transfer initiated with fraudulent intent by the consumer or any person acting in concert with the consumer.

ACH Operation Staff: Use code R10 to return an unauthorized debit.

AN IMPROPER DEBIT means an RCK, ARC, or POP entry where the item to which the entry relates is ineligible, or other criteria related to notice of policy, amount, or authenticity of signature as described to the left are not met. An RCK, ARC, or POP entry is considered improper if both the electronic and paper items have been presented.

ACH Operation Staff: Use R10 for improper ARC or POP entries, and R51 for improper RCK entries. If the source document (paper item) has been presented for payment, use R37 for ARC or POP entries, and R53 for RCK entries. (Although outside the scope of this document, please note that if a stop payment was placed on the source document, use R38 to return an ARC entry, and R52 for an RCK entry.)

I further depose and say that the debit transaction was not originated with fraudulent intent by me or any person acting in concert with me, and that the signature below is my own proper signature. I certify under penalty of perjury that the foregoing is true and correct.
